COMPLAINT

PLAINTIFF, THE UNITED STATES OF AMERICA, by its undersigned attorneys,
hereby alleges upon information and belief:

1. The United States files this Complaint pursuant to the Civil Rights of Institutionalized Persons Act, 42 U.S.C. § 1997, to enjoin the named Defendants from depriving persons incarcerated at the Julia Tutwiler Prison for Women in Wetumpka, Alabama, of rights, privileges, or immunities secured and protected by the Constitution of the United States.

JURISDICTION AND VENUE

2. This Court has jurisdiction over this action under 28 U.S.C. §§ 1331 and 1345.
3. The United States is authorized to initiate this action pursuant to 42 U.S.C. § 1997a(a).
4. The Attorney General has certified that all pre-filing requirements specified in 42 U.S.C. § 1997b have been met. The Certificate of the Attorney General is appended to this Complaint as Attachment A and is incorporated herein.

5. Venue in the United States District Court for the Middle District of Alabama is proper pursuant to 28 U.S.C. § 1391.

PARTIES

6. Plaintiff is the UNITED STATES OF AMERICA.
7. Defendants STATE OF ALABAMA and ALABAMA DEPARTMENT OF CORRECTIONS operate Tutwiler, and are responsible for the safety, care, custody, and control of women incarcerated there, as well as for the actions of the Tutwiler and Alabama Department of Corrections staff and for the actions of any entity or individual contracting and providing services at Tutwiler.
8. At all relevant times, Defendants have acted or failed to act under color of state law.

FACTS

9. Tutwiler is an institution within the meaning of 42 U.S.C. § 1997(1).
10. Tutwiler is a maximum-security prison for women in Wetumpka, Alabama with a capacity of 975.
11. In 2013, the Department of Justice's Civil Rights Division, Special Litigation Section investigated allegations of staff sexual abuse and sexual harassment of Tutwiler prisoners, and determined that Defendants, through their acts and omissions, engage in a pattern or practice of deliberately disregarding known or serious risks of harm from sexual abuse and sexual harassment of Tutwiler prisoners.
12. The United States' investigation included an on-site inspection with an expert consultant in custodial sexual abuse and sexual harassment, during which Department of Justice representatives toured the prison, interviewed staff and prisoners, and reviewed a wide array of documents, including policies, procedures, reports and training records.

13. The United States' findings are outlined in its January 17, 2014 Findings Letter regarding constitutional violations at Tutwiler, including those described in paragraphs 14 through 25 below.
14. Women prisoners at Tutwiler suffer serious harm from sexual abuse and sexual harassment by staff, including rape, fondling, voyeurism, and sexually explicit verbal abuse.
15. Women prisoners at Tutwiler are subjected to the high risk and threat of sexual abuse by staff.
16. Defendants have allowed Tutwiler staff members to encourage individual and group sexual activities by and among prisoners.
17. Defendants have allowed a sexualized environment to exist at Tutwiler, such that sexual abuse and sexual harassment are constant, and prisoners must sometimes submit to unlawful sexual advances from staff in order to obtain necessities or to avoid punishment.
18. Defendants do not have a grievance system, or other reliable reporting system, and thereby effectively deny women prisoners the ability to report sexual abuse and sexual harassment.
19. Defendants retaliate against women who attempt to report sexual abuse and sexual harassment. Women prisoners who attempt to report such abuse are routinely placed in segregation and face threats of physical assault by staff.
20. Defendants fail to adequately investigate allegations of sexual abuse and harassment.
21. Defendants fail to appropriately discipline officers found to have engaged in sexual abuse. For example, several officers have been permitted to resign in lieu of termination after having allegedly engaged in sexual abuse. Other staff alleged to have engaged in sexual abuse or sexual harassment have been reassigned to other ADOC facilities. Similarly, high-level Tutwiler officials who allowed the climate of sexual abuse and sexual harassment to

flourish received transfers to equally high or higher level positions at other ADOC facilities.

22. Defendants have failed to institute gender-responsive policies and procedures to address sexual abuse and sexual harassment and to remedy the sexualized atmosphere at Tutwiler.
23. Defendants have failed to collect and analyze data to identify potential misconduct before it occurs, thus subjecting prisoners to sexual harassment and sexual abuse that could have been prevented.
24. Defendants have maintained dangerously low staffing levels, including a dearth of female officers, thus placing prisoners at serious risk of harm from other prisoners and staff.
25. Defendants' classification system does not identify or protect potential victims from abuse, thereby dispersing vulnerable populations amongst the various units and subjecting them to risk of harm. In addition, Tutwiler has no pre-classification screening, so that prisoners spend weeks waiting for a housing assignment without any assessment of risk.
26. The factual allegations set forth in paragraphs 13 through 25 have been obvious and known to Defendants for a substantial period of time, yet Defendants have deliberately failed to adequately address the conditions described.
27. In 1994, the Department of Justice's Civil Rights Division, Special Litigation Section investigated Tutwiler and consequently issued a Findings Letter on March 27, 1995, informing Defendants of, *inter alia*, inappropriate sexual contact between staff and prisoners.
28. In 2007, the Department of Justice's Office of Justice Programs, Bureau of Justice Statistics published a report in which it identified Tutwiler as the women's prison with the highest rate of sexual assault allegations in the country.

29. In 2012, the Equal Justice Initiative issued a report detailing staff sexual violence against women prisoners at Tutwiler, indicating that little had changed since the 2007 findings by the Bureau of Justice Statistics.
30. On November 1, 2012, the NIC issued a letter to Defendants identifying deficiencies at Tutwiler that contributed to the sexualized environment and harm to prisoners.

VIOLATIONS ALLEGED

31. The allegations of Paragraphs 1 through 30 are hereby re-alleged and incorporated by reference.
32. Through the acts and omissions alleged in paragraphs 13 through 30, Defendants have subjected prisoners at Tutwiler to a pattern and practice of conditions of confinement that deprive them of rights, privileges, and immunities secured and protected under the Constitution of the United States, causing such prisoners to suffer grievous harm.
U.S. Const. Amend. VIII.
33. Through the acts and omissions alleged in paragraphs 13 through 30, Defendants have exhibited deliberate indifference to the health and safety of Tutwiler prisoners, in violation of the rights, privileges, or immunities of those prisoners as secured or protected by the Constitution of the United States. U.S. Const. Amend. VIII.
34. Unless restrained by this Court, Defendants will continue to engage in the acts and omissions, set forth in paragraphs 13 through 30, that deprive persons confined at Tutwiler of privileges or immunities secured or protected by the Constitution of the United States.

PRAYER FOR RELIEF

35. The Attorney General is authorized under 42 U.S.C. § 1997a to seek appropriate equitable relief.

36. WHEREFORE, the United States prays that this Court enter an order:

a. declaring that the acts, omissions, and practices of Defendants set forth in paragraphs 13 through 30 above constitute a pattern or practice of conduct that deprives prisoners confined at Tutwiler of rights, privileges, or immunities secured or protected by the Constitution of the United States and that those acts, omissions, and practices violate the Constitution of the United States;

b. permanently enjoining Defendants, their officers, agents, employees, subordinates, successors in office, and all those acting in concert or participation with them from continuing the acts, omissions, and practices set forth in paragraphs 13 through 30 above and requiring Defendants to take such actions as will ensure lawful conditions of confinement are afforded to prisoners at Tutwiler; and

c. granting such other and further equitable relief as it may deem just and proper.

Civil No. _____

JOINT MOTION TO ENTER SETTLEMENT AGREEMENT

The United States of America, Plaintiff, and the State of Alabama and the Alabama Department of Corrections, Defendants, having entered into a Settlement Agreement concerning conditions of confinement at the Julia Tutwiler Prison for Women in Wetumpka, Alabama, jointly and respectfully move this Court for entry of the attached Agreement as an Order of the Court to resolve the above-captioned case. The Parties further respectfully request that this Court conditionally dismiss the United States' Complaint without prejudice, pursuant to Fed. R. Civ. P. 41(a)(2), and retain jurisdiction over the Agreement for enforcement purposes.

The Court should approve and enter this Agreement as an Order because negotiated settlements are favored over costly and lengthy contested litigation. In addition, the Agreement satisfies all the factors courts look to in determining whether approval is warranted. The Agreement is fair and reasonable, having been negotiated over many months in good faith by the Parties. Furthermore, it is not unconstitutional or unlawful, and in fact will have the effect of protecting the constitutional rights of Tutwiler prisoners. Nor is the Agreement a product of

collusion. Finally, as the Parties have stipulated, it complies with the Prison Litigation Reform Act, in that it is narrowly tailored to remedy the violations alleged in the Complaint.

The Agreement, if entered as an Order by this Court, will resolve all claims that the United States raised in its contemporaneously filed Complaint.

I. BACKGROUND

On February 26, 2013, the Civil Rights Division of the United States Department of Justice notified Tutwiler officials of its intent to open an investigation pursuant to the Civil Rights of Institutionalized Persons Act, 42 U.S.C. § 1997 (“CRIPA”), as to whether prisoners confined at Tutwiler were subject to sexual abuse and sexual harassment by staff. On January 17, 2014, the United States issued a findings letter pursuant to 42 U.S.C. § 1997 that concluded that the State of Alabama violated the Eighth Amendment of the United States Constitution by failing to protect women prisoners at Tutwiler from harm due to sexual abuse and sexual harassment from correctional staff, and listed the minimum remedial measures necessary to rectify such conditions.

Following the issuance of the findings letter, the Parties conducted numerous negotiation sessions over many months and ultimately reached resolution on the disputed issues in this matter. The Parties have embodied that resolution in this Agreement, and seek this Court’s approval of the Agreement and entry of the Agreement as an Order of this Court.

II. DISCUSSION

Negotiated settlements are encouraged as a way of avoiding contested litigation. Indeed, there is a “strong judicial policy favoring settlement as well as . . . the realization that compromise is the essence of [the] settlement.” *Bennett v. Behring Corp.*, 737 F.2d 982, 986

(11th Cir. 1984); *see also Murchison v. Grand Cypress Hotel Corp.*, 13 F.3d 1483, 1486 (11th Cir. 1994) (“We favor and encourage settlements in order to conserve judicial resources”).

Before approving a settlement agreement, a court should ensure that the agreement satisfies several factors. First, the court should ascertain that the settlement is fair, adequate and reasonable as between the parties. *See In re Smith*, 926 F.2d 1027, 1028-29 (11th Cir. 1991). The court should also ensure that the agreement is not “unconstitutional, unlawful, unreasonable, or contrary to public policy.” *Stovall v. City of Cocoa*, 117 F.3d 1238, 1240 (11th Cir. 1997) (citation omitted); *see also Howard v. McLucas*, 871 F.2d 1000, 1008 (11th Cir. 1989) (holding that a court should determine whether a consent decree “represent[s] a reasonable factual and legal determination based on the record, and ensure that it [does] not violate federal law”). In addition, the court should ensure that the agreement is not a product of collusion. *See Smith*, 926 F.2d at 1028-29.

Finally, because the Agreement here constitutes prospective relief regarding prison conditions, this Court must also find that the Agreement complies with the Prison Litigation Reform Act (“PLRA”), 18 U.S.C. § 3626. The PLRA requires that the Court find the Agreement’s “relief is narrowly drawn, extends no further than necessary to correct the violation of the Federal right, and is the least intrusive means necessary to correct the violation of the Federal right.” 18 U.S.C. § 3626(a)(1)(A) & (c)(1).

As explained below, the Agreement here satisfies all the conditions for approval, and thus this Court should approve and enter the Agreement.

a. The Agreement is Fair, Adequate, and Reasonable

A comprehensive investigation followed by numerous rounds of negotiations resulted in

an agreement that is fair, adequate, and reasonable. The United States' CRIPA investigation and the details included in its findings letter clearly establish an adequate factual record supporting the legitimacy of the Agreement. The United States is intimately familiar with the conditions and practices at Tutwiler and spent months negotiating an agreement that will address the deficiencies identified in the findings letter and the Complaint.

The Settlement Agreement contains comprehensive provisions designed to prevent, detect, and respond to sexual abuse and sexual harassment at Tutwiler. These comprehensive provisions directly coincide with the particular constitutional violations identified in the findings letter and alleged in the Complaint. Along with substantive provisions, the Agreement also contains requirements regarding the implementation of a quality assurance program. Defendants will track and analyze data in order to identify and address deficiencies in Defendants' prevention, detection, and response to sexual misconduct at Tutwiler, and to assess and ensure compliance with the terms of the Agreement. Defendants will provide semi-annual self-assessment compliance reports to the United States and to a jointly-selected independent monitor. The monitor will be retained by Defendants to monitor implementation of the Agreement. The monitor will have full and complete access to Tutwiler and its records, and all staff of Tutwiler will be directed to cooperate fully with the monitor. The monitor will provide compliance reports to the Court every six months.

Defendants have agreed to implement all policies and procedures required by the Agreement within nine months of the effective date of the Agreement. The Agreement will terminate when Defendants have achieved substantial compliance with each provision of the Agreement, and have maintained substantial compliance for three consecutive Court-filed

compliance reports.

The Agreement thus is fair, adequate, and reasonable. All Parties have validly consented to the Agreement, which does not unreasonably affect third parties. The Parties agree that the Agreement is a fair, reasonable, and adequate resolution of all the issues related to the United States' investigation of Tutwiler pursuant to CRIPA.

b. The Agreement is not Unconstitutional, Unlawful, or Contrary to Public Policy

The Agreement does not violate the Constitution, any statutes or public policy. On the contrary, the Agreement serves to protect the constitutional rights of prisoners at Tutwiler. Protecting constitutional rights is manifestly an important public policy interest.

c. The Agreement is not a Product of Collusion

The Agreement is the result of months of arms-length negotiations by the Parties, and therefore "is not the product of collusion between the parties." *Bennett*, 737 F.2d 982, 986. After the United States issued its findings on January 17, 2014, the United States began settlement discussions with Defendants in March 2014, and the Parties subsequently conducted many months of face-to-face negotiations.

The Parties in the instant case are represented by experienced litigators who engaged in "a process of compromise in which, 'in exchange for the saving[s] of cost and elimination of risk, the parties each give up something they might have won had they proceeded with the litigation.'" *U.S. v. City of Jackson, Miss.*, 519 F.2d 1147, 1152 (5th Cir. 1975), quoting *United States v. Armour & Co.*, 402 U.S. 673, 681 (1971). The respective duties of each government agency towards those they represent provides this Court with assurance that the Settlement Agreement is not the product of collusion.

d. The Agreement is Narrowly Tailored to Remedy Ongoing Violations

As referenced above, because the Agreement here constitutes prospective relief regarding prison conditions, this Court must find that it complies with the PLRA. The PLRA requires that the Court find the Settlement Agreement's "relief is narrowly drawn, extends no further than necessary to correct the violation of the Federal right, and is the least intrusive means necessary to correct the violation of the Federal right." 18 U.S.C. § 3626(a)(1)(A) & (c)(1).

Here, the relief agreed upon is narrowly tailored to remedy the United States' allegations that Defendants violated the Eighth Amendment of the United States Constitution by failing to protect women prisoners at Tutwiler from harm due to sexual abuse and harassment from correctional staff. Each provision of the Agreement addresses an allegation outlined in the January 17, 2014 findings letter of the United States, which formed the factual basis of its Complaint filed in conjunction with this Agreement. The remedies contained in the Agreement were developed from the findings letter of the United States in which, as required under CRIPA, the United States listed only "the minimum measures which the Attorney General believes may remedy the alleged conditions and the alleged pattern or practice of resistance." 42 U.S.C. § 1997b(a)(1)(C). Thus, from the outset of negotiations, the Parties have focused on agreeing only to those "minimum corrective measures necessary to insure the full enjoyment of such rights, privileges, or immunities . . . secured or protected by the Constitution [or laws] of the United States." 42 U.S.C. § 1997a(a)

Although "[t]he PLRA generally requires that the court 'engage in a specific, provision-by-provision examination of [a] consent decree[], measuring each requirement against the

statutory criteria' . . . '[t]he parties are free to make any concessions or enter into any stipulations they deem appropriate,' and the district court does not need to 'conduct an evidentiary hearing about or enter particularized findings concerning any facts or factors about which there is not dispute.'" *Henderson v. Thomas*, No. 2:11cv224, 2013 WL 5493197, at *8 (M.D. Ala. Sept. 30, 2013) (quoting *Cason v. Seckinger*, 231 F.3d 777, 785 & n.8 (11th Cir. 2000)); *see also Laube v. Campbell*, 333 F. Supp. 2d 1234, 1239 (M.D. Ala. 2004) (relying on *Cason*, the Court finds that "the remedial provisions to which the parties have agreed . . . represent the parties' considered judgment as to what is necessary, narrow, and least intrusive with respect to the specific problems presented in this case, with which the parties are intimately familiar") (internal quotation omitted).

Accordingly, the Parties stipulated in Part XII of the Agreement that the relief required therein complies in all respects with the provisions of 18 U.S.C. § 3626(a). The Parties further stipulated that the prospective relief in this Agreement is narrowly drawn, extends no further than necessary to remedy Plaintiff's allegations that Defendants violated the Eighth Amendment of the United States Constitution by failing to protect women prisoners at Tutwiler from harm due to sexual abuse and harassment from correctional staff, is the least intrusive means necessary to correct these alleged violations, and will not have an adverse impact on public safety or the operation of a criminal justice system.

III. CONCLUSION

For the reasons above, this Court should find that the Agreement is fair, adequate, and reasonable; is not unconstitutional, unlawful, or contrary to public policy; is not a product of collusion; and complies in all respects with the PLRA.

Wherefore, the Parties respectfully and jointly request that this Court approve the Agreement in its entirety, enter it as an Order of the Court, conditionally dismiss the United States' Complaint without prejudice, and retain jurisdiction for enforcement purposes.

Civil No. _____

SETTLEMENT AGREEMENT

I. INTRODUCTION

1. The State of Alabama, the Alabama Department of Corrections (“ADOC”), and the United States of America enter into this Agreement with the goal of ensuring that inmates at the Julia Tutwiler Prison for Women are provided with constitutional conditions that protect them from sexual abuse and sexual harassment.
2. The Civil Rights Division of the United States Department of Justice commenced an investigation of allegations of sexual abuse and sexual harassment at Tutwiler pursuant to the Civil Rights of Institutionalized Persons Act, 42 U.S.C. § 1997 (“CRIPA”).
3. On January 17, 2014, the United States issued an investigative findings letter that concluded that certain conditions at Tutwiler violated inmates’ constitutional rights (“Findings Letter”) (attached as Appendix A). Specifically, the United States concluded that ADOC violated the Eighth Amendment of the United States Constitution by failing to protect women inmates at Tutwiler from harm due to sexual abuse and sexual harassment from correctional staff.
4. DOJ acknowledges and appreciates the cooperation and good faith shown to the Department of Justice and its representatives on the part of the Governor of Alabama, the Commissioner of the Alabama Department of Corrections, ADOC’s leadership, and staff. DOJ was given full access to Tutwiler’s physical plant, its inmates, its staff, its vendors, and thousands of pages of documents requested by DOJ and its experts for review. The Governor, Commissioner, and the ADOC’s management team have demonstrated a commitment to improving conditions at Tutwiler for the women inmates who reside there and staff who work there and have devoted significant monetary and personnel resources towards making Tutwiler a safer facility and towards PREA compliance.

In March 2014, the Commissioner created a new position, Deputy Commissioner for Women's Facilities. The primary mission of this new position is to provide executive and operational oversight of the management of women inmates in the custody of ADOC, specifically the Tutwiler Prison for Women, Montgomery Women's Facility and Birmingham Work Release Center. Dr. Wendy Williams was appointed to be the first Deputy Commissioner of Women's Facilities on April 16, 2014. Since her appointment, Dr. Williams has dedicated her time to ensure that major changes were taking place at Tutwiler and at all of the ADOC's women facilities. ADOC will continue to seek sustainable improvements to promote positive outcomes for staff and the women they supervise.

5. DOJ recognizes Alabama and ADOC's high level of cooperation and willingness to enter into this Agreement without the need for litigation. As a result of this cooperation, DOJ, ADOC, and Alabama believe this Agreement represents the best opportunity to address the United States' concerns regarding sexual abuse and sexual harassment at Tutwiler.
6. Resolving this matter with this Agreement is in the best interests of the ADOC and Tutwiler inmates. Pursuant to Fed. R. Civ. P. 41(a)(2), this Agreement will be filed in the United States District Court, Middle District of Alabama, together with a joint motion to conditionally dismiss the Complaint under the conditions set forth in this Agreement. This case will remain on the Court's inactive docket during the term of this Agreement. DOJ, ADOC, Alabama, or the Monitor may request status conferences to assist in informally resolving disputes, if needed. The Court will retain jurisdiction only to enforce the terms of this Agreement and to resolve disputes between DOJ, ADOC, and Alabama.
7. This Agreement shall be filed in the United States District Court, Middle District of Alabama. The Court has jurisdiction over this action pursuant to 28 U.S.C. §1331; 28 U.S.C. § 1345; and 42 U.S.C. § 1997. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b).
8. This Agreement shall constitute the entire integrated Agreement of DOJ, ADOC, and Alabama. Except for the United States' January 17, 2014, Findings Letter, no prior or contemporaneous communications, oral or written, or prior drafts shall be relevant or admissible for purposes of determining the meaning of any provisions of the Agreement.
9. This Agreement is binding upon DOJ, ADOC, and Alabama, by and through their officials, agents, employees, and successors. This Agreement is enforceable only by DOJ, ADOC, and Alabama. No person or entity is intended to be a third-party beneficiary of the provisions of this Agreement or any reports drafted, compiled, completed, or filed as a result of this Agreement for purposes of any civil, criminal, or administrative action, and accordingly, no person or entity may assert any claim or right as a beneficiary or protected class under this Agreement or any such reports. III. SUBSTANTIVE PROVISIONS

ADOC and Tutwiler shall take all actions necessary to comply with the substantive provisions of this Agreement detailed below in order to prevent, detect, and respond to allegations of sexual abuse and sexual harassment at Tutwiler. Compliance with the Agreement will be measured both by whether the technical provisions are implemented and whether women at Tutwiler are provided a safe and secure environment free of sexual abuse and sexual harassment as required by the United States Constitution.

A. General Policies and Procedures

ADOC and Tutwiler shall develop and implement gender-responsive policies, procedures, and practices to ensure that inmates at Tutwiler are protected from harm due to sexual abuse and sexual harassment. Accordingly:

1. ADOC and Tutwiler shall comply with all provisions of PREA. ADOC and Tutwiler shall continue to comply with the ADOC’s written policies and procedures mandating zero tolerance toward all forms of sexual abuse and sexual harassment. This Agreement takes precedence over any ADOC and/or Tutwiler

policy governing the operation of Tutwiler and that may conflict with this Agreement.

2. ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement policies and procedures regarding the management of lesbian, gay, bisexual, transgender, intersex, and gender nonconforming inmates. The policy shall emphasize the rights of lesbian, gay, bisexual, transgender, intersex, gender nonconforming and gender dysphoric inmates to a safe, non-discriminatory and respectful environment and shall include the following:
 - i. A qualified mental health practitioner with experience in recognizing and diagnosing co-existing mental health concerns and distinguishing these from gender dysphoria, knowledge about gender non-conforming identities and expressions and the assessment and treatment of gender dysphoria, should be assigned inmates with gender non-conforming identities, including gender dysphoric inmates;
 - ii. An inmate diagnosed with gender dysphoria should be offered appropriate non-surgical treatment as determined by a qualified health care practitioner; and
 - iii. ADOC and Tutwiler shall provide ADOC-issued clothing and hygiene items and facilities appropriate to the needs of transgender and gender dysphoric inmates.
3. ADOC and Tutwiler shall continue to comply with its policy that ensures women receive essential supplies, including hygiene and feminine hygiene products, tampons and pads; linens; and uniforms by making them available on a monthly basis or more frequently as needed. The policy will continue to require the tracking and distribution of these products. ADOC and Tutwiler will continue to ensure that both tampons and sanitary pads are readily available, free of charge, to Tutwiler inmates.
4. ADOC and Tutwiler shall develop and implement policies and procedures that incorporate gender-responsive strategies, including policies and procedures governing the use of force against women inmates and discipline of women inmates.
5. ADOC and Tutwiler shall continue to develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement facility-specific policies and operational practices specific to Tutwiler's population regarding the supervision and monitoring necessary to prevent inmates from being exposed to an unreasonable risk of harm from sexual abuse and harassment. The policies and practices must include:
 - i. Post orders for first-line supervision of corrections staff for each housing unit in accordance with the operational practices developed;

- ii. Procedures regarding communication to and from corrections staff assigned to housing units;
 - iii. The continued requirement of supervision by corrections staff assigned to all housing areas and dormitory settings, including direct supervision of Dorm A, if that unit continues to be used for intake, and the administration of adequate rounds by corrections staff and security supervisors in all areas of the prison, including dormitories. Such rounds shall occur unannounced, at least every hour, inside each general population housing unit and at least once every 30 minute period for special management inmates, or more often if necessary. Video surveillance may be used to supplement, but must not be used to replace rounds by correctional officers;
 - iv. The continued requirement that intermediate level or higher-level supervisors conduct and document unannounced rounds during both the day and night shifts to identify and deter staff sexual abuse and sexual harassment. Other staff members should not be alerted that these rounds are occurring; and
 - v. The continued requirement to document all security rounds on forms or logs that do not contain pre-printed rounding times.
6. ADOC and Tutwiler shall revise and/or develop and implement, as necessary, any other policies, practices, procedures, protocols, training curricula, and other written documents, including but not limited to, screening tools, logs, handbooks, manuals, and forms, to effectuate the provisions of this Agreement.
- i. ADOC and Tutwiler shall work together with the Monitor to draft new policies and procedures and/or revise existing policies and procedures pursuant to this Agreement. ADOC and Tutwiler will then send copies of such policies and procedures to DOJ for review and comment consistent with this Agreement.
 - ii. DOJ shall signify its approval, or provide any comments to ADOC and Tutwiler within 15 days of receipt of policies and procedures.
 - iii. ADOC and Tutwiler, in consultation with the Monitor, will consider DOJ's comments and input when determining whether to further revise the policies and procedures.
 - iv. If ADOC and Tutwiler choose not to incorporate DOJ's comments into further revisions, they will explain to DOJ in writing the reasons for doing so. While ADOC and Tutwiler should refrain from implementing policies and procedures during the period they are under review by DOJ, ADOC and Tutwiler need not postpone the implementation of any policies or procedures once they have received DOJ's comments (or the 15 day period for commenting expires).

B. Camera Management

The ADOC has implemented a state-of-the-art camera system at Tutwiler, and contracted with an expert who has conducted a review of the ADOC's Camera Plan, including a review of each camera's placement. As a result of that review, cameras are strategically placed to maximize supervision while protecting privacy. Policies directing the appropriate use of cameras and periodic staff training to ensure sustainability and effective operation of the camera system will remain as standard operational practice.

1. Camera Management policies and procedures will remain in effect at Tutwiler.
2. Camera management policies and procedures, including the locations where cameras have been placed, will be reviewed at least annually to ensure that they are serving their goal of maximizing supervision. To the extent that any changes to the Camera Management policies and procedures, or to a camera location, need to be made they will be made within 30 days of the completion of the annual review. If a change cannot be made within 30 days, the reason for exceeding 30 days will be documented.

C. Staffing

In order to address low staffing levels and the need for more women officers, ADOC and Tutwiler shall ensure that correctional staffing and supervision is sufficient to adequately supervise inmates and staff and allow for the safe operation of Tutwiler. Accordingly:

1. Phase I:
 - i. ADOC and Tutwiler shall continue to develop, submit to the Monitor and DOJ to assess for compliance with this Agreement, and implement its plan to recruit women correctional officers at Tutwiler. To this end, ADOC shall:
 1. Continue working with the Alabama Peace Officers Standards and Training Commission (APOSTC) in screening, selecting, or hiring applicants for the entry-level corrections officer positions until such standards, or any other physical test employed, are:
 - a. Validated for a corrections environment; and
 - b. Examined for the necessity of gender-norming certain components.
 2. Continue to conduct physical fitness assessments on all correctional officer trainees, to include the provision of training recommendations to meet APOSTC physical training requirements.

3. Examine workplace practices such as mandatory overtime and shift length to assess whether any of those practices may negatively impact hiring and retaining women candidates.
 - ii. ADOC shall continue the practice of allowing officers from other ADOC facilities to serve overtime or otherwise be temporarily assigned at Tutwiler only after those officers have been trained as required by this Agreement.
 - iii. Within six months of the Effective Date, and every six months thereafter, ADOC and Tutwiler will provide to the Monitor and DOJ the numbers of men and women who have taken any required entry-level physical examination(s) and the results of any such tests broken down by gender for each test administration.
 - iv. ADOC shall continue to employ an upper-level, Department-wide PREA Coordinator with sufficient time and authority to develop, implement, and oversee its efforts to comply with the PREA standards at Tutwiler and all of its facilities.
 - v. ADOC and Tutwiler shall designate a full-time (40 hours/week) PREA Compliance Manager who has no other duties within ADOC or Tutwiler and who is assigned to oversee PREA compliance at Tutwiler. In addition, this person will work closely with the PREA Compliance Managers at Montgomery Women's Facility and Birmingham Work Release for consistency in women's services and monitor any other facility that is built to house women inmates on PREA-related matters. This individual will have sufficient authority to coordinate Tutwiler's efforts to comply with the PREA standards. Further, ADOC and Tutwiler shall:
 1. Ensure that Tutwiler's PREA Compliance Manager reports directly to the Warden or the Department-wide PREA Coordinator;
 2. Develop, in policy, a job description for Tutwiler's PREA Compliance Manager with expected responsibilities, and submit this policy to the Monitor and DOJ for review consistent with Section III.A.6.;
 3. Provide training to the Tutwiler PREA Compliance Manager necessary to fulfill his or her duties; and
 4. Document the Tutwiler PREA Compliance Manager's activities.
2. Phase II:

- i. ADOC and Tutwiler shall develop, document, and implement a staffing plan, based on gender-responsive principles and PREA requirements, that provides for adequate staffing levels and, where applicable, video monitoring, to protect inmates against sexual abuse and sexual harassment. This staffing plan shall be provided to the Monitor and DOJ and shall include the following:
 1. Identification of all posts and positions at Tutwiler, including any gender-specific posts required for the safe operation of the facility;
 2. Shift relief factor for Tutwiler;
 3. Policies and procedures for reviewing and amending Tutwiler's staffing plan.
- ii. In calculating adequate staffing levels, ADOC and Tutwiler shall, as part of a staffing analysis, consider:
 1. Generally accepted detention and correctional practices;
 2. ADOC and Tutwiler's determination of which necessary duties will be handled by Tutwiler staff, ADOC staff, or outside agencies;
 3. Any findings of inadequacy from any investigative agencies within ADOC;
 4. Any findings of inadequacy from internal or external oversight bodies;
 5. The Camera Management Plan and all components of the facility's physical plant;
 6. The composition of the inmate population;
 7. The number and placement of supervisory staff;
 8. Institution programming and options for supervision of inmates;
 9. A Tutwiler specific shift relief-factor;
 10. Any applicable state or local laws, regulations, or standards; and
 11. The prevalence of substantiated and unsubstantiated incidents of sexual abuse and sexual harassment.
- iii. Within nine months of the Effective Date, ADOC and Tutwiler shall submit this staffing plan and staffing analysis to the Monitor and DOJ for review and comment, and shall maintain the underlying data utilized in conducting the staffing analysis and plan and provide this data to DOJ or

- the Monitor if requested.
- iv. Within one year of the Effective Date, ADOC and Tutwiler shall adopt the results of the staffing plan consistent with PREA standards.
 - v. ADOC and Tutwiler, in consultation with the Department-wide PREA Coordinator and Tutwiler's PREA Compliance Manager, shall assess, determine, and document via a Staffing Update and Staffing Report, whether adjustments are needed to the staffing plan, and –taking into account available resources– implement such adjustments.
 - vi. The Staffing Update shall be provided to the Monitor and DOJ quarterly and shall include the following information:
 1. A listing of staff hired at Tutwiler, by gender and positions filled; and
 2. A listing of staff who ended their employment at Tutwiler, including gender, position, and reason for separation.
 - vii. The Staffing Report shall be provided to the Monitor and DOJ every six months in the first year after the Effective Date and yearly thereafter until termination of this Agreement. Each Staffing Report will include the following information:
 1. An evaluation of existing staffing levels and need for adjustments;
 2. A listing of each post and position needed;
 3. The number of hours needed for each post and position;
 4. A listing of staff, by gender, working overtime at Tutwiler and the amount of overtime worked by each staff member;
 5. A listing of supervisors by gender working overtime at Tutwiler; and
 6. Tutwiler's assessment of its ability to comply with the staffing plan.
 - viii. To the extent such policy does not already exist, the ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement a policy that includes:
 1. That ADOC and Tutwiler not hire or promote, or enlist the services of anyone who may have contact with inmates, and shall not enlist the services of any contractor who may have contact with inmates at Tutwiler, who: (1) has engaged in sexual abuse or sexual

harassment in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution; (2) has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or, (3) has been civilly or administratively adjudicated to have engaged in the activity described in this section. To this end, ADOC and Tutwiler shall:

- a. Follow ADOC policy that requires that all new employees be asked about previous misconduct, as defined above in Subsection 1. This can be in written application or documented as part of an interview. ADOC policy shall be amended to state the same in regards to promotions.
 - b. Perform a criminal background records check; and
 - c. Contact all prior institutional employers for information on substantiated allegations of sexual abuse and sexual harassment or any resignation during a pending investigation of an allegation of sexual abuse and sexual harassment.
2. ADOC and Tutwiler shall conduct criminal background records checks at least once every five years for current employees and respond to any relevant results of those checks as described in Section III.K below.
 3. ADOC and Tutwiler shall conduct criminal background records checks at least once every five years for contractors who may have contact with inmates. For any current ADOC staff temporarily assigned to Tutwiler for regular or overtime duty, Tutwiler will create a system to manage and track any allegations of sexual harassment or sexual abuse made against them at the ADOC facility they are assigned to.
 4. Consistent with ADOC policy, employees have an affirmative duty to disclose any previous sexual abuse and sexual harassment, as described in Subsection 1. above. Material omissions of such information shall be grounds for termination.
 5. ADOC and Tutwiler will conduct an initial criminal records check on all Tutwiler volunteers. Any volunteer with a background that includes engaging in sexual abuse may not be utilized as a volunteer. At least every five years, Tutwiler and ADOC will perform an additional criminal background check on all current

volunteers.

- ix. When ADOC or any other governmental entity responsible for collective bargaining on ADOC's behalf contracts for services with individuals, private agencies or other entities, including other government agencies, they shall include in any new contracts or contract renewals the entity's obligation to adopt and comply with Tutwiler's policies and procedures governing sexual abuse and sexual harassment.
- x. ADOC and/or Tutwiler policies and procedures require that contractors and volunteers who have contact with inmates but are not directly supervised by ADOC or Tutwiler employees comply with Tutwiler's sexual abuse and sexual harassment policies and procedures.

D. Training

ADOC and Tutwiler shall ensure that all staff have the adequate knowledge, skill, and ability to prevent, detect, and respond to sexual abuse and sexual harassment at Tutwiler, and to manage, interact, and communicate appropriately with women inmates and lesbian, gay, bisexual, transgender, and gender nonconforming inmates. Accordingly:

- 1. Staff Training: ADOC and Tutwiler shall train all staff who may have contact with inmates on the following:

2. Within six months of the Effective Date, all staff shall have received training as set out in Section III.D.1.
 3. ADOC and Tutwiler shall provide annual refresher training to all staff to ensure that they know the current sexual abuse and sexual harassment policies and procedures. If staff cannot successfully demonstrate knowledge of these policies and procedures, they shall not be permitted to have any contact with inmates until such time as they can demonstrate proficiency. ADOC and Tutwiler shall have and implement policies and procedures setting forth the levels of discipline, up to and including termination, for any staff member who cannot perform his or her job duties due to a failure to demonstrate proficiency in these policies and procedures.
 4. The Monitor will work with the ADOC and Tutwiler in drafting new training materials and/or revising current training materials set out in Section III.D.1 and 3.
 5. ADOC shall certify and document to Tutwiler's PREA Compliance Manager, the Department-wide PREA Coordinator, the Monitor, and DOJ, that all staff have been trained.

E. Inmate Education

ADOC and Tutwiler shall effectively and meaningfully communicate to all inmates their right to be free from sexual abuse and sexual harassment and the protections in place at Tutwiler to ensure that such abuse and harassment does not occur or, if it does occur, is reported so it can be responded to promptly, appropriately, and without retaliation. Accordingly:

1. ADOC and Tutwiler shall ensure that, during the intake process, all inmates receive information regarding the following:
 - i. ADOC's zero-tolerance policy regarding sexual abuse and harassment;
 - ii. Definitions of sexual abuse and sexual harassment;
 - iii. The right to be free from sexual abuse and sexual harassment and from retaliation for reporting such incidents;
 - iv. The right to be free from verbal abuse, including name calling, racially insensitive or offensive language, and profane or vulgar language;
 - v. How to report incidents or suspicions of sexual abuse and harassment, including the availability of non-inmate interpreters; and
 - vi. The process of accessing medical and mental health care.
2. Within 14 days of intake, ADOC and Tutwiler shall provide comprehensive orientation education to inmates either conducted in-person or through a video presented by an in-person facilitator regarding their rights to be free from sexual abuse and sexual harassment and to be free from retaliation for reporting such incidents, and regarding their policies and procedures for responding to such incidents.
3. Current Tutwiler inmates will receive the information and education described in III.E.1 and 2 within three months of the Effective Date.
4. ADOC and Tutwiler shall ensure that the individual conducting or facilitating the comprehensive inmate educational orientation is trained on Tutwiler and ADOC's policies and procedures related to sexual abuse and sexual harassment, the PREA standards, and the terms of this Agreement.
5. The individual conducting or facilitating the comprehensive inmate orientation education shall remain in the room during the entire orientation and shall monitor the inmates for reactions to and understanding of the information. A mental health practitioner will serve as an advisor to the orientation process and services will be available during the orientation process if indicated.
6. Consistent with current policy, ADOC and Tutwiler shall ensure that the information outlined in III.E.1 and III.E.2 is conveyed and made available in formats accessible to all inmates, including those who are limited English proficient, deaf, visually impaired, or otherwise disabled as well as to inmates who have limited reading skills.
7. ADOC and Tutwiler shall provide the Monitor and DOJ for their review consistent with Section III.A.6. any materials or curriculum utilized to satisfy the requirements of III.E.1 and III.E.2.

8. ADOC and Tutwiler shall maintain documentation of inmate participation in the education sessions required by III.E.2.

F. Gender-Responsive Classification

Consistent with constitutional standards, ADOC and Tutwiler shall develop and implement a classification process including custody classification, and risk/need assessment, and screening for risk of vulnerability or perpetration of sexual abuse or sexual harassment and use that information to inform housing, bed, work, education, and program assignments with the goal of maximizing safety. Accordingly:

1. Within two months of the Effective Date, ADOC shall convene a working group to evaluate methods to decrease or eliminate Tutwiler's use of Dorm A for a period of time that exceeds 48 hours while screenings are completed, including an examination of the necessity of PAP test and/or other medical, mental health, or intellectual test results prior to classification and any failures to provide adequate continuity in medical and mental health care to Dorm A residents.
2. Within six months of convening of the working group, ADOC and Tutwiler shall retain an expert in gender responsive assessment and classification. The retained expert shall develop and submit for review to the Workgroup and Monitor for a summary of recommendations and proposed deliverables that outline a plan for implementation and validation of an objective and internal classification system specific to the women inmates at Tutwiler. The classification system shall incorporate gender responsive principles and address the needs of women inmates at Tutwiler, including housing safety, mental health (depression/anxiety/psychosis), abuse and trauma, family conflict, relationship dysfunction, and parental stress. The system will also focus on strength or resiliency factors including educational assets, family support, and self-efficacy. The proposed plan shall also examine the designation of "restricted status" for inmates at Tutwiler to determine the appropriateness of the designation as it relates to classification, housing, programming, and community custody. The proposed plan shall be based on expert review and address adjustments to the classification system, adequate data collection and analysis, and appropriate ongoing testing for effectiveness.
3. The approved plan for implementation of the classification system shall be managed by an implementation workgroup and completed within two years of the approval of the plan.
4. Based on the implemented assessment processes, the system shall provide programs that incorporate gender responsive principles and address the needs of women inmates at Tutwiler, including those addressing sexual abuse, sexual harassment, and trauma; domestic violence; dating violence; and medical and mental health care.

G. Risk Assessment

1. ADOC and Tutwiler shall continue to utilize a risk assessment instrument to screen for risk of victimization and abusiveness. Such process shall include the following:
 - i. Ensure that Tutwiler initiates and documents communication with the facility from which the inmate is received to learn about their incarceration, adjustment issues, disciplinary history, and any other factors relevant to identification of potential predators and victims including pregnancy status. If an inmate arrives at Tutwiler from another custodial institution, including a county jail, work release placement, or half-way house - the transferring facility shall be notified if it is suspected, as a result of either the inmate's self-reporting or after the initial medical evaluation, that sexual abuse in a custodial setting could have caused the pregnancy.
 - ii. All inmates shall be assessed during an intake screening within 72 hours of arrival. The screening shall include an assessment of an inmate's risk of being sexually abused by other inmates, or sexually abusive toward other inmates;
 - iii. The intake screening shall include, at a minimum, the following criteria to assess inmates for risk of sexual victimization:
 1. Whether the inmate has a mental, physical, or developmental disability;
 2. The age of the inmate;
 3. The physical build of the inmate;
 4. Whether the inmate has previously been incarcerated;
 5. Whether the inmate has a history of substance abuse and/or alcohol dependency;
 6. Whether the inmate has a history of self injurious behavior and/or suicidal ideation;
 7. Whether the inmate's criminal history is exclusively nonviolent;
 8. Whether the inmate has prior convictions for sex offenses against an adult or child;
 9. Whether the inmate is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender nonconforming;

10. Whether the inmate has previously experienced sexual victimization;
 11. The inmate's own perception of vulnerability; and
 12. Any other factors that have been selected for Tutwiler.
- iv. In assessing inmates for risk of being sexually abusive, the initial screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence and/or sexual abuse;
 - v. Within a set time period, not to exceed 30 days from the inmate's arrival at Tutwiler, Tutwiler shall reassess the inmate's risk of victimization or abusiveness based upon a trauma screening and assessment developed under Section III. F.2 and any additional, relevant information received by Tutwiler since the intake screening;
 - vi. An inmate's risk level shall be reassessed when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the inmate's risk of sexual victimization or abusiveness;
 - vii. If the screening indicates that an inmate has experienced prior sexual victimization or perpetrated sexual abuse, whether it occurred in an institutional setting or in the community, staff shall ensure that the inmate is offered a follow-up with a medical or mental health practitioner within 14 days of the intake screening;
 - viii. ADOC and Tutwiler shall use information from the risk screening to make an individualized and safety-based determination of prisoners' housing, bed, work, education, and program assignments; and
 - ix. Placement and programming assignments for inmates at high risk of sexual victimization shall be reassessed at least twice each year to review any threats to safety experienced by the inmate and such inmate's own views with respect to her own safety shall be given serious consideration.
2. Inmates at high risk for sexual victimization shall not be placed in involuntary segregated housing due to their high risk of victimization unless an assessment of all available alternatives has been made, and a determination has been made that there is no available alternative means of separation from likely abusers. Such an assessment and determination shall be documented, explaining the basis for Tutwiler's concern for the inmate's safety and the reason why no alternative means of separation can be arranged. A review of such determination must be afforded each inmate at least every 30 days to determine whether there is a continuing need for separation from the general population.

3. Inmates placed in segregated housing due to potential victimization shall, to the extent possible, have full access to programs, privileges, education, and work opportunities as inmates in general population housing.

H. Inmates' Right to Privacy

ADOC and Tutwiler shall prevent officers from unnecessarily viewing inmates who are naked or performing bodily functions. Accordingly:

1. Cross-Gender Searches

- i. ADOC and Tutwiler shall comply with its policy regarding cross-gender pat and strip searches and shall ensure that appropriate modifications to the policy are made and implemented to include, at a minimum, the items specified in III.H.1.ii to III.H.1.v below.
- ii. Tutwiler will continue to not conduct cross-gender strip searches or visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners.
- iii. Tutwiler will continue to prohibit cross-gender pat-down searches of women inmates, absent exigent circumstances. Inmates' access to regularly available programming or other out-of-cell opportunities shall not be restricted in order to comply with this provision.
- iv. Tutwiler shall document all cross-gender strip searches, cross-gender visual body cavity searches, and cross-gender pat-down searches of women inmates, and shall document the exigent circumstances that warranted the search. To the extent any such searches were conducted, Tutwiler shall provide this documentation to the Monitor and DOJ on a quarterly basis.
- v. ADOC and Tutwiler shall train security staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex inmates, when required, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs.

2. Cross-Gender Viewing

- i. ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement policies and procedures that enable inmates to perform bodily functions –such as showering, bathing, and using the toilet– and change clothing without nonmedical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks. Such policies and procedures shall require staff of the opposite gender to announce their presence before

entering an inmate housing unit and again before entering the shower or toilet areas.

- ii. ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement policies and procedures regarding the method of conducting inmate counts. This policy and procedure shall limit inmate movement during inmate counts and shall prohibit the practice of conducting inmate counts while inmates are likely to be in the shower and toilet areas.
3. ADOC and Tutwiler shall continue to implement its plan to address the architectural features that contribute to a lack of privacy for inmates while showering or using the toilet.
4. ADOC and Tutwiler shall not search or physically examine a transgender or intersex inmate for the sole purpose of determining the inmate's genital status. If the inmate's genital status is unknown, it may be determined during conversations with the inmate or by a qualified medical practitioner reviewing the medical records or, if necessary, by learning that information during the intake physical exam conducted in private by a medical practitioner.
5. Transgender and intersex inmates shall be given the opportunity to shower separately from other inmates.

I. Reporting Allegations of Sexual Abuse and Sexual Harassment

In order to adequately identify and respond to all instances of sexual abuse and sexual harassment at Tutwiler, ADOC and Tutwiler shall ensure that inmates, staff, and third-parties have multiple unimpeded methods to report incidents of sexual abuse and sexual harassment free from retaliation. Accordingly:

1. ADOC and Tutwiler shall continue to comply with its policy on reporting allegations of sexual abuse and sexual harassment. Any modification of that policy shall be submitted to DOJ and the Monitor for review consistent with Section III.A.6. ADOC and Tutwiler shall provide multiple internal methods, including a grievance process and at least one confidential method, for inmates to report sexual abuse and sexual harassment, retaliation by other inmates or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents. The inmate reporting system must include:
 - i. Provisions for accepting reports made verbally, in writing, anonymously, and from third parties including other inmates, Tutwiler staff, and the inmate's friends and family, advocates or legal representation. In the case of reports made verbally, staff shall promptly document those reports in writing; and
 - ii. Information on how to report sexual abuse or sexual harassment on behalf

of an inmate shall be distributed publicly.

2. ADOC and Tutwiler shall also provide at least one way for inmates to report abuse or harassment to a public or private entity or office that is not part of the agency, and that is able to receive and immediately forward inmate reports of sexual abuse and sexual harassment to agency officials, allowing the inmate to remain anonymous upon request. The preferred method provided should be through a toll-free number, or other method as agreed.
3. ADOC and Tutwiler shall provide a method for staff to confidentially report sexual abuse and sexual harassment of inmates.
4. Third parties shall be permitted to assist inmates in filing requests for administrative remedies relating to allegations of sexual abuse and sexual harassment, and shall also be permitted to file such requests on behalf of inmates.
5. All third party reports of sexual abuse and sexual harassment shall be forwarded immediately to the Departmental PREA Coordinator and be investigated and processed in accordance with ADOC policy. As part of this process, the Departmental PREA Coordinator will inform Tutwiler's PREA Compliance Manager of all third party reports received.
6. Grievances
 - i. ADOC and Tutwiler shall continue to develop and submit policies and procedures for an inmate Grievance System to the Monitor and DOJ for review within three months of the effective date and, within four months of the effective date, implement the inmate Grievance System. This policy shall clearly prohibit retaliatory practices by staff against inmates who file a grievance and should include the requirements listed in III.I.6.ii-ix below.
 - ii. ADOC and Tutwiler shall ensure that all inmates receive orientation on the Grievance System during orientation. The ADOC will offer quarterly education on the Grievance System throughout the first year of implementation. Inmates will be required to attend at least once.
 - iii. During the first year of implementation, ADOC and Tutwiler shall ensure that all staff receive training on the Grievance System upon implementation and through annual in-service training.
 - iv. ADOC and Tutwiler shall ensure that grievance forms are available on all units. ADOC and Tutwiler shall assist inmates who are limited English proficient, visually impaired, have a mental health impairment, are otherwise disabled, or who have limited reading or writing skills in accessing the grievance system.
 - v. ADOC and Tutwiler shall ensure that an inmate, who alleges sexual abuse

or sexual harassment, or any other verbal or physical abuse by staff, may submit a complaint without submitting it to a staff member who is the subject of the complaint, and such complaint is not referred to a staff member who is the subject of the complaint.

- vi. ADOC and Tutwiler shall not require an inmate to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse, sexual harassment, or any other verbal or physical abuse by staff.
 - vii. ADOC and Tutwiler shall issue a final decision on the merits of any portion of a complaint alleging sexual abuse, sexual harassment, or any other verbal or physical abuse by staff, within 30 days of the initial filing of the complaint, with the option of an extension of up to an additional 30 days, approved and documented by the facility designee, with written notice of status update provided to the inmate.
 - viii. ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement policies and procedures for the filing of an emergency grievance where an inmate is subject to a substantial risk of imminent sexual or physical abuse.
 - ix. After receiving an emergency oral or written complaint alleging an inmate is subject to a substantial risk of imminent sexual or physical abuse, ADOC and Tutwiler shall immediately forward the grievance (or any portion that alleges the substantial risk of imminent sexual or physical abuse) to a level of review at which immediate corrective action may be taken, shall provide an initial response within 48 hours, and shall issue a final decision within five calendar days. The initial response and final agency decision shall document the ADOC's and/or Tutwiler's determination whether the inmate is in substantial risk of imminent sexual or physical abuse and the action taken in response to the emergency grievance.
7. ADOC and Tutwiler shall require all employees to report immediately:
- i. Any knowledge, suspicion, or information regarding an incident or alleged incident of sexual abuse or sexual harassment that occurred in Tutwiler, in transport vehicles, or in any off-site facilities under the control and supervision of ADOC or Tutwiler;
 - ii. Retaliation against inmates or staff who reported such an incident; and
 - iii. Any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.
8. Apart from reporting to designated supervisors or officials, staff shall not reveal any information related to a sexual abuse or sexual harassment report to anyone

other than to the extent necessary to make treatment, investigation, and other security and management decisions.

9. ADOC and Tutwiler shall report all allegations of sexual abuse and sexual harassment, including third party reports, anonymous reports, and inmate grievances, to Tutwiler's or ADOC's designated investigator
10. Protecting Inmates and Staff from Retaliation:
 - i. Consistent with ADOC policies, ADOC and Tutwiler shall protect all inmates and staff who report allegations of sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other inmates or staff, and shall designate Tutwiler's PREA Compliance Manager with monitoring allegations of retaliation concerning inmates. Allegations of retaliation against employees will be investigated and processed in accordance with ADOC personnel policy.
 - ii. ADOC and Tutwiler shall employ multiple protection measures, such as housing changes or transfers for inmate victims or abusers, removal of alleged staff or inmate abusers from contact with victims, and emotional support services for inmates or staff who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.
 - iii. ADOC and Tutwiler shall ensure that any Tutwiler staff who is alleged to have engaged in sexual abuse or sexual harassment are immediately removed from positions of inmate contact at Tutwiler until an investigation is concluded.
 - iv. ADOC and Tutwiler shall monitor all inmates and staff who report sexual abuse or sexual harassment and inmates who have been reported to have suffered or cooperated with sexual abuse or sexual harassment investigations from retaliation by other inmates or staff for at least 90 days following a report of sexual abuse or sexual harassment, to see if there are changes that may suggest possible retaliation by inmates or staff, including inmate disciplinary reports, housing or program changes, and negative performance reviews or reassignments, and shall act promptly to remedy any such retaliation. ADOC and Tutwiler shall continue such monitoring beyond 90 days if the initial monitoring indicates a continuing need. In the case of inmates, such monitoring shall also include periodic status checks.
 - v. If any other individual who cooperates with an investigation expresses a fear of retaliation, ADOC and Tutwiler shall take appropriate measures to protect that individual against retaliation.

J. Official Response to an Allegation of Sexual Abuse and Sexual Harassment

ADOC and Tutwiler shall ensure that all alleged victims of sexual abuse and sexual harassment are offered timely, unimpeded access to medical treatment and crisis intervention services as appropriate and that staff appropriately respond to and counsel the alleged victim while taking steps to preserve evidence. Accordingly:

1. When ADOC or Tutwiler learns that an inmate may be subject to a substantial risk of imminent sexual abuse, ADOC or Tutwiler shall take immediate action to protect the inmate.
2. ADOC and Tutwiler shall continue to comply with ADOC policy and Tutwiler Standard Operating Procedures to coordinate actions taken in response to an allegation of sexual abuse, among first staff responders, medical and mental health practitioners, investigators, and Tutwiler leadership, including time frames and lists of whom staff should report to in specific situations and guidelines regarding the collection of physical evidence.
3. ADOC and Tutwiler shall respond to reports of sexual abuse and sexual harassment or threats of sexual abuse or sexual harassment without regard to an inmate's known or perceived sexual orientation or gender identity.
4. The written institutional plan shall include procedures that address how staff respond upon learning of an allegation that an inmate was sexually abused. The first security staff member to respond to the report shall be required to:
 - i. Separate the alleged victim and abuser;
 - ii. Preserve and protect any crime scene until appropriate steps can be taken to collect any evidence; and
 - iii. Request that the alleged victim not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating if the abuse occurred within a time period that still allows for the collection of physical evidence.
5. If the first staff responder is not a security staff member, the responder shall be required to request the alleged victim not take any actions that could destroy physical evidence, and then notify security staff.
6. ADOC and Tutwiler shall not place in protective custody an inmate who is alleged to have suffered sexual abuse or sexual harassment solely for the purpose of protecting that inmate, unless a determination, documented in writing and reviewed by the PREA Compliance Manager or the warden's designee within 24 hours, has been made that there is no available alternative means of separation from likely abusers.

7. To the extent they do not already exist, ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement policies and procedures to provide access to medical and mental health services to women identified as potential or actual victims of sexual abuse and sexual harassment, that occurred either at Tutwiler or elsewhere, including the following:
- i. Inmate victims of sexual abuse shall receive timely, unimpeded access to emergency medical and mental health care and treatment and crisis intervention services, the nature and scope of which are determined by medical and mental health practitioners according to their professional judgment;
 - ii. If no qualified medical or mental health practitioners are on duty at the time a report of recent abuse is made, security staff and first responders shall take preliminary steps to protect the victim and shall immediately notify the appropriate medical and mental health practitioners;
 - iii. Tutwiler shall offer further medical and mental health evaluation and, as appropriate, treatment, to all inmates who have been victimized by sexual abuse and/or sexual harassment in any prison, jail, lockup, or juvenile facility;
 - iv. The evaluation and treatment of such victims shall include, as appropriate, follow-up services, treatment plans, and, when necessary, referrals for continued care following their transfer to, or placement in, other facilities, or their release from custody;
 - v. ADOC and Tutwiler shall ensure appropriate mental health counseling and emotional support services are made available to victims of sexual abuse and sexual harassment, provided by a qualified staff member or a victim advocate from a community-based organization that provides services to sexual abuse victims;
 - vi. ADOC and Tutwiler shall attempt to enter into and maintain memoranda of understanding or other agreements with community service providers that are able to provide inmates with confidential emotional support services related to sexual abuse or sexual harassment. ADOC and Tutwiler shall maintain copies of agreements or documentation of attempts.
 - vii. Inmate victims of sexual abuse or sexual harassment while incarcerated shall be offered timely information about and timely access to emergency contraception, pregnancy tests, and tests for sexually transmitted infections prophylaxis, where medically appropriate;
 - viii. If inmate pregnancy results from sexual abuse while incarcerated, such victims shall receive timely and comprehensive information about and

access to all lawful pregnancy-related medical services; and

- ix. All treatment services in this subsection shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident.

K. Referrals and Investigations

ADOC and Tutwiler shall ensure that all allegations of sexual abuse and sexual harassment are promptly, thoroughly, and objectively investigated and appropriately referred for prosecutorial review, and that alleged victims are advised of the outcome of their allegations. Accordingly:

1. ADOC investigators shall continue to investigate allegations of sexual abuse or sexual harassment consistent with their authority as criminal investigators and consistent with ADOC policy and Alabama law. Completed investigations of sexual abuse and sexual harassment will be referred to local prosecutors as appropriate.
2. When ADOC conducts its own investigations into allegations of sexual abuse or sexual harassment, it shall do so promptly, thoroughly, and objectively for all allegations, including third party and anonymous reports. Administrative investigations shall be completed regardless of the results of any criminal investigations and regardless of the subject's continued employment by ADOC.
3. The use of pre-hearing segregation shall be limited to inmates whose continuing behavior is a threat to facility safety, or who will not stop the prohibited behavior. Such pre-hearing segregation shall not be used for more than 72 hours, at which time an inmate must be afforded a disciplinary hearing, or provided a written explanation of why the hearing is postponed and when the hearing will be re-scheduled.
4. ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement guidelines for the immediate initiation of an investigation and/or review upon learning of an allegation of sexual abuse or sexual harassment and develop a process for monitoring those guidelines. The guidelines shall also ensure that investigations that include any allegations of sexual abuse or sexual harassment are properly labeled as such.
5. Where sexual abuse or sexual harassment is alleged, ADOC shall use investigators who have received special training in institutional sexual abuse and sexual harassment investigation. Specialized training shall include techniques for interviewing sexual abuse victims, proper use of *Miranda* and *Garrity* warnings, sexual abuse evidence collection in confinement settings, and the criteria and evidence required to substantiate a case for administrative action or prosecution referral. ADOC shall maintain documentation that agency investigators have completed the required specialized training in conducting sexual abuse investigations. The Department-wide PREA Coordinator and Tutwiler's PREA

Compliance Manager shall not serve as investigators for sexual abuse investigations.

6. Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse and sexual harassment involving the suspected perpetrator.
7. The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person's status as inmate or staff. ADOC or Tutwiler are prohibited from offering or administering polygraph examinations or other truth-telling devices to an inmate who alleges sexual abuse or sexual harassment.
8. ADOC shall issue a written investigative report within 30 days after the conclusion of a sexual abuse or sexual harassment investigation that indicates whether the allegation is substantiated, unsubstantiated, or unfounded. The investigator may request in writing, approved by the facility designee, an extension for cause that identifies the remaining actions necessary to complete the investigation. In no case shall the investigation be unfounded solely due to the expiration of the 30 days. The investigative report shall include an effort to determine whether staff actions or failures to act contributed to the abuse, a description of the physical and testimonial evidence, the reasoning behind credibility assessments, and investigative facts and findings.
9. ADOC shall work with the Monitor on ensuring that an investigative summary sheet that provides an overview of the current status of an investigation is included. The summary information should include, among other things, basic information such as staff name(s), prisoner names(s), location of incident, and the time of day.
10. The departure of the alleged perpetrator or victim from the employment or control of ADOC or Tutwiler shall not provide a basis for terminating an investigation.
11. When outside agencies investigate alleged incidents of sexual abuse, ADOC and Tutwiler shall cooperate with outside investigators and shall endeavor to remain informed, to the extent appropriate, about the progress of the investigation.
12. Following an investigation into an inmate's allegation that she suffered sexual abuse or sexual harassment in any ADOC facility or while within the physical custody and control of the ADOC, ADOC and Tutwiler shall inform the inmate as to whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded.
13. If ADOC or Tutwiler did not conduct the investigation, it shall request the relevant information from the investigative agency in order to inform the inmate.

14. Following an inmate's allegation that a staff member has committed sexual abuse or sexual harassment against the inmate, ADOC and Tutwiler shall subsequently inform the inmate whenever:
 - i. The staff member is no longer posted within the inmate's unit;
 - ii. The staff member is no longer employed at Tutwiler; or
 - iii. ADOC and/or Tutwiler learn that the staff member has been indicted or convicted on a charge related to sexual abuse within Tutwiler.
15. All such notifications or attempted notifications shall be documented.
16. A review team, including upper-level management officials at Tutwiler, with input from line supervisors, investigators, and medical and mental health practitioners, shall conduct an incident review within 30 days of the conclusion of every investigation of substantiated and unsubstantiated allegations of sexual abuse or staff-on-inmate sexual harassment. The review team shall:
 - i. Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse or staff-on-inmate sexual harassment;
 - ii. Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender, or intersex identification, status, or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at Tutwiler;
 - iii. Examine the area in Tutwiler where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;
 - iv. Assess the adequacy of staffing levels in that area during different shifts;
 - v. Review, by a warden or senior management, the personnel file of any involved employees to assess needs in background screening, training, and/or supervision;
 - vi. Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff; and
 - vii. Prepare a report of its findings and any recommendations for improvement and submit such report to the Monitor, DOJ, the Warden, the Department-wide PREA Coordinator, and Tutwiler's PREA Compliance Manager.
17. ADOC and Tutwiler shall implement the recommendations for improvement or shall document its reasons for not doing so.
18. Within 60 days of the Effective Date, ADOC and Tutwiler shall review all

pending investigations alleging sexual abuse and sexual harassment to determine whether the investigation was conducted according to the requirements of Section III. K. of this Agreement. Within 120 days of the Effective Date, ADOC and Tutwiler will conduct a similar review of all unfounded allegations of sexual assault and sexual harassment for the past 360 days to determine whether the investigation was conducted according to the requirements of Section III. K. of this Agreement.

L. Staff Disciplinary Actions

ADOC and Tutwiler shall take appropriate disciplinary action against staff found to have engaged in sexual abuse or sexual harassment or to have violated Tutwiler's policies and procedures regarding sexual abuse or sexual harassment. Accordingly:

1. ADOC and Tutwiler shall develop, submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement policies and procedures that track staff disciplinary actions related to allegations of sexual abuse or sexual harassment, to ensure that the directives in III.L.2-III.L.6 below are met.
2. ADOC and Tutwiler shall ensure prompt corrective action following any substantiated finding or recommendation resulting from either an administrative or criminal investigation surrounding an incident of sexual abuse or sexual harassment. This will include, but not be limited to:
 - i. Documented disciplinary sanctions of staff; and
 - ii. Permanent removal of staff from the post where the incident occurred.
3. Staff shall be subject to disciplinary sanctions up to and including termination for violating ADOC's sexual abuse or sexual harassment policies.
4. Termination shall be the presumptive disciplinary sanction for staff who have engaged in sexual abuse.
5. Disciplinary sanctions for violations of agency policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the staff member's disciplinary history, and the sanctions imposed for comparable offenses by other staff with similar histories.
6. All terminations for violations of ADOC's and Tutwiler's sexual abuse or sexual harassment policies, or resignations by staff who would have been terminated for sexual abuse or sexual harassment, if not for their resignation, shall be reported to local prosecutors, unless the activity was clearly not criminal in conformance with Alabama law, and to any relevant licensing bodies.

M. Limited English Proficient (LEP) Inmates

ADOC and Tutwiler shall work with the Monitor to develop and implement a policy providing for a method of interpretation services for LEP inmates. This method may be through a language telephone line, if necessary. ADOC and Tutwiler shall not rely on other inmates or non-certified employees to translate and/or interpret for LEP inmates.

IV. QUALITY IMPROVEMENT AND DATA COLLECTION

- A. Within one year of the Effective Date, ADOC and Tutwiler shall develop and submit to the Monitor and DOJ for review consistent with Section III.A.6., and implement, written quality improvement policies and procedures adequate to identify and address any deficiencies in ADOC and Tutwiler's prevention, detection and response to sexual abuse and sexual harassment at Tutwiler and to assess and ensure compliance with the terms of this Agreement. These quality improvement policies and procedures shall include:
1. Required monthly quality assurance meetings;

- A. ADOC and Tutwiler shall provide to the Monitor and DOJ a confidential bi-annual self-assessment compliance report until the Agreement is terminated, the first of which shall be filed within six months of the Effective Date.
- B. Each self-assessment compliance report shall describe the actions ADOC and Tutwiler have taken during the reporting period to implement this Agreement and shall make specific reference to the Agreement provisions being implemented. The report shall also summarize audits and continuous improvement and quality assurance activities, and contain findings and recommendations that would be used to track and trend data compiled at Tutwiler.
- C. ADOC and Tutwiler shall maintain sufficient records to document that the requirements of this Agreement are being properly implemented and shall make such records available to the DOJ at all reasonable times for inspection and copying. In addition, ADOC and Tutwiler shall maintain and submit upon request records or other documents to verify that they have taken such actions as described in their self-assessment compliance reports (e.g., census summaries, policies, procedures, protocols, training materials and incident reports) and will also provide all documents reasonably requested by DOJ.

- C. DOJ shall notify ADOC promptly of any information received that an inmate is at risk of harm.

VIII. MONITORING

A. Selection and Autonomy of the Monitor:

1. DOJ, ADOC, and Alabama have jointly selected a Monitor, Jennie Lancaster, to assess and report whether the provisions of this Agreement have been implemented, and whether this implementation is resulting in a reduction of incidents of sexual abuse and sexual harassment and professional treatment of inmates.
2. The cost of the Monitor's fees and expenses will be borne by ADOC and Alabama. ADOC will contract with the Monitor to provide these auditing services. As part of that contract, a reasonable budget will be agreed upon by and between ADOC and the Monitor to include a maximum dollar amount that can be spent in a given 12 month period. ADOC and Alabama will provide the Monitor with a budget sufficient to carry out the responsibilities described in this Agreement.
3. The Monitor shall only have the duties, responsibilities, and authority conferred by this Agreement. The Monitor shall be subjected to the supervision and orders of the Court, the Court's dismissal order, and applicable law.
4. Neither ADOC, Tutwiler, DOJ, nor any of their staff or agents shall have any supervisory authority over the Monitor's activities, reports, findings, or recommendations. The Monitor may be terminated only for good cause unrelated to the Monitor's findings and only with prior notice to, and approval of, Alabama, ADOC, and DOJ, acting jointly or by court order.
5. The Monitor may contract or consult with other persons or entities to assist in the evaluation of compliance. The Monitor will pay for the services out of his/her budget. The Monitor shall be permitted to engage in ex parte communications with Alabama, ADOC, Tutwiler, DOJ, and the Court regarding this Agreement.

B. Monitor's Access

1. The Monitor shall have full and complete access to Tutwiler, all Tutwiler documents and records, inmate medical and mental health records, staff, and inmates. The Monitor shall also have access to any ADOC documents or data she requests related to any facility built to supplement Tutwiler. ADOC and Tutwiler shall direct all employees to cooperate fully with the Monitor. All information obtained by the Monitor shall be maintained in a confidential manner.

2. Within seven days of receipt, the Monitor shall distribute to DOJ all documents, forms, assessments, and reports submitted by ADOC or Tutwiler unless Alabama and ADOC have already distributed such items to DOJ.

C. Reporting

1. Within three months of the Effective Date, the Monitor will conduct a baseline site visit. As a result of the baseline site visit, the Monitor will design a monitoring plan. The baseline site visit will allow the Monitor to become familiar with the facility and this Agreement, and will allow the Monitor to inform ADOC, Tutwiler, and DOJ regarding what information the Monitor will require ADOC and Alabama to routinely report and with what frequency consistent with this Agreement.
2. The Monitor shall conduct an on-site inspection and issue a Compliance Report six months after the baseline visit, and then every six months thereafter. A draft Report shall be provided to ADOC, Tutwiler, and DOJ in draft form for comment at least 30 days prior to its issuance. ADOC, Tutwiler, and DOJ shall provide comments, if any, to the Monitor within 15 days of receipt of the draft Report. The Monitor shall consider the responses of ADOC, Tutwiler, and DOJ and make appropriate changes, if any, before issuing the final Report.
3. The Compliance Reports shall describe the steps taken by ADOC and Tutwiler to implement this Agreement and evaluate the extent to which ADOC and Tutwiler have complied with each substantive provision of the Agreement. Each Report:
 - i. Shall evaluate the status of compliance for each relevant provision of the Agreement using the following standards: (1) Substantial Compliance; (2) Partial Compliance; and (3) Non-compliance. The Monitor shall review a sufficient number of pertinent documents and interview a sufficient number of staff and inmates to accurately assess current conditions. The Monitor may also communicate with ex-inmates, family members, and relevant community members to assist the Monitor's assessment of current conditions;
 - ii. Shall describe the steps taken by each member of the monitoring team to analyze conditions and assess compliance, including documents reviewed and individuals interviewed, and the factual basis for each of the Monitor's findings;
 - iii. Will contain the Monitor's independent verification of representations from ADOC and Tutwiler regarding progress toward compliance, and examination of supporting documentation; and
 - iv. Shall provide recommendations for each of the provisions in the Agreement outlining proposed actions for at least the next six months for ADOC and Tutwiler to complete toward achieving compliance with the particular provision.

4. These Reports will be filed with the Court and shall be written with due regard for the privacy interests of individuals.
5. Nothing in this Section prohibits the Monitor from issuing interim letters or reports to DOJ, ADOC, and Alabama or the Court via the public record in this case should s/he deem it necessary.

D. Limitations

1. Except as required or authorized by or necessary to evaluate the terms of this Agreement, or as directed by the court, or as authorized by ADOC, Tutwiler, and DOJ acting together, the Monitor shall not make any public statements (at a press conference or otherwise) with regard to any act or omission of ADOC or Tutwiler or their agents, representatives or employees, or disclose information provided to the Monitor pursuant to this Agreement.
 2. The Monitor shall not testify in any other litigation or proceeding with regard to any act or omission of ADOC or Tutwiler or any of their agents, representatives, or employees related to this Agreement, nor testify regarding any matter or subject that he or she may have learned as a result of his or her performance under this Agreement, nor serve as a non-testifying expert regarding any matter or subject that he or she may have learned as a result of his or her performance under this Agreement.
 3. Unless such conflict is waived by ADOC, Tutwiler, and DOJ, the Monitor shall not accept employment or provide consulting services that would present a conflict of interest with the Monitor's responsibilities under this Agreement, including being retained (on a paid or unpaid basis) by any current or future litigant or claimant, or such litigant's or claimant's attorney, in connection with a claim or suit against ADOC or Tutwiler, their departments, officers, agents or employees.
 4. The Monitor is not a State/County or local agency or an agent thereof, and accordingly the records maintained by the Monitor shall not be deemed public records subject to public inspection.
 5. Neither the Monitor nor any person or entity hired or otherwise retained by the Monitor to assist in furthering any provision of this Agreement shall be liable for any claim, lawsuit or demand arising out of the Monitor's performance pursuant to this Agreement.
- E. The Monitor shall provide ADOC and Tutwiler with technical assistance as requested. Technical assistance should be reasonable and should not interfere with the Monitor's ability to assess compliance.
- F. The Monitor may convene regular monthly conference calls with the DOJ, ADOC, and Alabama to discuss implementation of the terms of the Agreement, updates, and any other items that the Monitor and/or DOJ, ADOC, and Alabama wish to discuss.

- G. ADOC and Tutwiler representatives and staff shall not retaliate against any person because that person has provided information or assistance to the Monitor or DOJ relating to this Agreement.
- H. DOJ, ADOC, and Alabama and the Monitor will treat all personally identifiable information obtained pursuant to this Agreement as confidential.

IX. ENFORCEMENT

- A. The United States District Court for the Middle District of Alabama will retain jurisdiction over this matter for the purposes of enforcing this Agreement.
- B. During the period that this Agreement is in force, prior to initiating any enforcement proceedings in Court for an alleged failure to fulfill an obligation under this Agreement, the aggrieved party will notify the other party in writing of the facts supporting the aggrieved party's belief that the other party is not in compliance. The responding party will investigate the allegations and respond in writing within 30 days. If the aggrieved party is not satisfied with the other party's response, DOJ, ADOC, and Alabama will conduct negotiations to resolve the issue(s). If DOJ, ADOC, and Alabama are unable to resolve the issue(s) satisfactorily within 30 days of the other party's written response, the aggrieved party may move the Court for any relief permitted by law or equity.

X. CONSTRUCTION AND TERMINATION

- A. If any unforeseen circumstance occurs that causes a failure to timely carry out any requirements of this Agreement, ADOC and Tutwiler shall notify DOJ in writing within 30 days (or as soon as reasonably practicable) after ADOC and Tutwiler become aware of the unforeseen circumstance and its impact on ADOC's and Tutwiler's ability to perform under the Agreement. The notice shall describe the cause of the failure to perform and the measures taken to prevent or minimize the failure. ADOC and Tutwiler shall implement all reasonable measures to avoid or minimize any such failure.
- B. This Agreement shall terminate when ADOC and Tutwiler have achieved substantial compliance with all of the substantive provisions of this Agreement in three consecutive Compliance Reports.
- C. The burden will be on ADOC and Tutwiler to demonstrate that they have maintained substantial compliance with each of the provisions of this Agreement. Non-compliance with mere technicalities, or temporary failure to comply during a period of otherwise sustained compliance, will not constitute failure by ADOC and Tutwiler to maintain substantial compliance. At the same time, temporary compliance during a period of sustained non-compliance will not constitute substantial compliance.
- D. The burden shall be on ADOC and Tutwiler to demonstrate they have achieved substantial compliance with a particular section of this Agreement.

**XII. STIPULATION PURSUANT TO THE PRISON LITIGATION
REFORM ACT, 18 U.S.C. § 3626**

DOJ, ADOC, and Alabama stipulate and agree that this Agreement complies in all respects with the requirements for prospective relief under the Prison Litigation Reform Act, 18 U.S.C. § 3626 (a).

DOJ, ADOC, and Alabama stipulate and agree that all of the prospective relief in this Agreement is narrowly tailored, extends no further than would be necessary to correct the violations of federal rights as set forth by the United States in its Complaint and Findings Letter, is the least intrusive means necessary to correct these violations, and will not have an adverse impact on public safety or the operation of a criminal justice system. Any admission made for the purposes of this Agreement is not admissible if presented by third parties in another proceeding.
